

We uphold the rights of children and acknowledge that children are a sacred gift from God.

**"...Permit the children to come to me; do not hinder them; for the kingdom of God belongs to such as these."
Mark 10: 14**

It is our intent as volunteers that we provide a safe, consistent, and enjoyable nursery care.

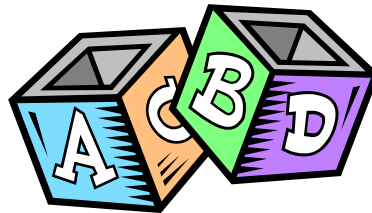

Format

A wide range of toys including craft materials are available to the children for free play time. Songs and circle time for older children with simple bible stories based on Christian principles of love.

Sanitation

Used linens and toys to be disinfected are segregated each Sunday and washed prior to being used again. Otherwise all linens/stuffed animals will be washed once a year and toys sanitized twice a year.

Wall St. United

Church Nursery

Adult-to-Child Ratio

To provide the best possible care, we maintain two adults for each Sunday in the nursery. Volunteers are scheduled in advance, but please be willing to stay and help if you are asked. Mature teenagers 13 years and older are welcome as helpers, but an adult must always be present in the room. ALL OUR WORKERS HAVE PASSED A BACKGROUND CHECK

Snacks

The nursery will supply a simple snack of crackers/cookies and juice. If your child has food allergies, or cannot have a snack, please notify the volunteer when you sign-in. This is recommended at each visit even if the information is stored on the registration card.

Registering

Please fill out a registration card for each child that will be attending the nursery at the start of each year. This card will be stored at the nursery available to our volunteers so they are aware of any special needs of your child.

Sign In

Obtain your child's registration card and move to "TOTS HERE" box at the nursery door. A volunteer will take the child inside and make him/her comfortable.

Pick-Up

The nursery workers have been asked to only release the child to a person identified on child's registration card or written instructions from the guardian/parent.
